

Worleston Community COVID19

To help all residents following the government's recently published social distancing guidance, the Parish Council has launched a volunteer community for Worleston, Poole, Aston Juxta Mondrum and Reaseheath to ensure we support our community locally.

Are you (or someone you care for) having to stay at home and...

- need shopping doing?
- need letters posting?
- managing fine now, but would like a backup to call on 'just in case'?
- Need someone to talk to?

Then contact us!

- **Phone or Text or Whatsapp 07835 509007** leave a message with your number if there's no answer.
- **Email** chair@worlestdistrict-pc.gov.uk
- **facebook** @WorlestonCovid19

We'll assign you one of our registered 'local buddies'

- They will be in touch to introduce themselves and find out how we can help!
- We will **ONLY** pass your details to **YOUR** volunteers

We're also looking for more volunteers! If you are under 70 without underlying health conditions and would like to be a 'buddy' please **TEXT 07835509007** and someone will be in touch.
